

Peer review notes / general feedback

Are there any areas within this work that could be improved or is missing / incomplete?

I want to see the contributors page. Also, there are not many narrative pages I think.

What are the strengths within this work; what does this student do really well?

You have your own world! That's sooooo great!
Also the magazine form is so unique and the composition is so good, so it was easy to read and I could enjoy to read it!

Is this work ready for submission? Yes / No

What BA specialism do you think this work shows suitability in?
Photography and Creative Direction
