"By 2500 years ago,
a small group of humans
in Southern Europe and the
Middle East started to ask
big questions about
who we were. What is
the best way to live?
what is a good life?
what does it mean to be
human? How we responded
to these question is how
~~we responded to these~~
we built our civilization,
art, and philosophy.

Five hundred years ago, the scientific
revolution began, allowing us to harness
the resources of our planet to live
longer and more productive lives."

The concept of this dress is 'old furniture' .
She used piles from street, old carpets, plastic bottles and knitting wools for each parts.
It' s a bright and colorful dress like a can-can song.

Beiju
presented by grandchild

My grandma celebrated her 88th birthday on 15 February 2023 - 88 years old is known as Beiju in Japan and is a memorable age for longevity celebrations. I conducted an interview with my grandma (real name: Mikami Harue) to commemorate her Beiju. In this edition, I call to her 'Baba', as I always do!

Kotone(K):Happy Birthday Baba!

How do you feel on your 88th birthday?

Harue(Baba):I am happy to be surrounded by all my family.

K:Since this is an interview again, I have to ask you, what is Baba's job?

B:When I got married, probably at the age of 26, I started working in Jiji's (granpa) family business, a flower shop. I have just worked very hard.

K:I know it's sudden, but I'm a fashion student, so I'm going to ask you a fashion question.

What are Baba's current fashion points?

B:Nails and hair!

Being a florist is a job where you get your hands dirty, so I want to look as nice as possible. It's usually black nails.

K:I know, Baba loves black, and I think you always wear black apron for work.

That's why the brooch you always wear on your chest looks so good.

B:Yes, it does. I always wear a brooch on my chest that makes a point.

Most of them are given to me by customers. I'm very grateful.

K:Do you have a favourite brand of clothes?

B:I used to wear Yacco Maricard and HIROKO BIS and also ISSEY MIYAKE.

Nowadays, I'm all about Iroguro, Haraguro, UNIQLO!

.....(Japanese Joke)

My family: hahahahahahahahah

K:I'm glad to hear you're doing well.

What are your ambitions for the future?

B:I want to live a long and healthy life!

After all, good health is the best!!!!

K:That's right!

Please continue to be healthy, drink a lot, eat a lot and be the Madonna of Kagurazaka ;D(my hometown)

hahahahaha, see you soon~~~~~!
